Christmas**

**DEC. 19<sup>TH</sup> – 20<sup>TH</sup>, 2025**

# A Special Christmas

Back in the 1800s, a special story was rewritten by famous Russian writer Leo Tolstoy. It tells of an old cobbler who wishes that he could have helped Mary and Joseph that special night, as he read the Christmas story in the bible. That night in a dream, he dreams that Jesus will come to visit him the next day. So, he spends the following day, which is Christmas Eve, looking for Jesus.

Though the day is filled with many visitors, he goes to bed thinking he missed him. Enjoy what comes next and remember that you too can make a difference wherever you are and whatever you do.

The NLDA has adapted this story a little to encourage and enhance. We also reference in Mathew 25:35-40 to strengthen the original story.

As with all of our stories, we hope you enjoy how we creatively recreate and dance each scene, to help you imagine and receive the true meaning.

The NLDA wishes you a wonderful Christmas season and hopes the New Year will also bring much joy.

In May we will be bringing back our original story production of "Patrick's Purpose", which we are very excited about. We would love to see you there!

*A person's heart plans his way, but  
the Lord determines his steps."*

The NLDA was established in 2007 as a Traditional Irish Dance school and performing troupe. Since then, our dancers have performed for tens of thousands around the state. In 2016 the NLID started performing story productions, and it has been our favorite type of show to present ever since. The Northern Lights Dance Academy has expanded since 2020 to include Ballet, Contemporary, and Drama. In 2021 the Cadillac Classical Arts Company was founded to give our local ballet dancers a chance to be a part of a professional student company.

Our goal is, and always has been, to give our students the chance to grow into the people they were created to be, for them to share their passions with the world, and for them to be a light to those around them!

Find out how to become part of the  
NLDA Family today!
